

ESCANABA PLANNING COMMISSION

OCTOBER 15, 2018

The planning commission convened at 7 pm. There were several members of the community present besides Jack Penegor, Cliff Barron, Norm Fleury, Ann LaBumbard, Barry King and Ray Hughes. This was a very good session as the commission went over part of the Clinton county ordinance part by part. This is being used as an sample of what we could put in the solar ordinance. With help from the public we are making head way on this solar ordinance for our township. Please come to our next workshop November 8, 2018 7 pm at the Besse Firehall.
